EXPERT TALK

on

**CHANGING INDUSTRY TRENDS**

**AND**

**FOREIGN OPPURTUNITIES**

**(CAREER OPPORTUNITIES IN JAPAN)**

**Report**

Expert Talk on " **CHANGING INDUSTRY TRENDS AND FOREIGN OPPURTUNITIES**" was conducted on 26<sup>th</sup> September 2019 by Mrs. Sujata Kolekar.

38 students of BE of APSIT belonging to Department of Computer Engineering and Information Technology attended the talk.

Sujata Kolekar Madam discussed about the various career oppurtunities in Japan. She also discussed about the changing trends of industry and what are the industry requirements. She also explained the entire procedure about how we can take advantage of the foreign oppurtunities. She also told about the exams students have to attend ,their preparations, format and some tricks to crack them. She gave a detailed overview of the oppurtunities and how to approach them from start to end.
