

**DEPARTMENT OF COMPUTER SCIENCE & ENGINEERING
(ARTIFICIAL INTELLIGENCE & MACHINE LEARNING)**

Event: Ideathon Hackathon

Name of College: A. P. Shah Institute of Technology, Kasarvadavali, G.B
Road, Thane (Maharashtra)

Association: AIML Student Association

Date: 01/03/2025

Time: 9:00 am to 1:00 pm

Target Audience: Students from all departments

Introduction: -

The AIML Student Association organized **IDAETHON 2025**, a competitive ideation hackathon where students were given a **problem statement at 9:00 AM** sharp. Participants had **four hours** to analyze the problem, brainstorm solutions, and present their innovative ideas. The event aimed to encourage creative problem-solving, logical thinking, and teamwork.

Event Details: -

1. Competition Structure:

- The problem statement was announced at **9:00 AM**, and teams immediately started brainstorming.
- Participants were expected to analyze the **approach to the problem statement**, discuss possible solutions, and finalize their ideas.
- Teams were evaluated based on **innovation, feasibility, and clarity of approach**.

2. Mentorship & Evaluation:

- **Mentors** were present to provide guidance and suggest improvements to the teams.
- Teams were assessed on their understanding of the problem, approach, and feasibility of the solution.

**DEPARTMENT OF COMPUTER SCIENCE & ENGINEERING
(ARTIFICIAL INTELLIGENCE & MACHINE LEARNING)**

- **Scoring criteria** included problem analysis, creativity, feasibility, and presentation.

3. Winning Teams:

- After evaluation, **winning teams were declared** from each lab.
- Each lab had one winning team based on the highest score.

Conclusion: -

IDEATHON 2025 successfully fostered **innovation and problem-solving skills** among students. The event provided a platform for students to **think critically** and develop **real-world solutions** under time constraints. The AIML Student Association extended gratitude to the faculty, mentors, and all participants for making this event a success.
